

Private »

[Kingsway CC](#)

Rolling Ron Garl design, renovated by architect Chip Powell in 1998. Exclusively featuring Tif Eagle ultra dwarf putting surfaces.

[Boca Royale Golf & CC](#)

Located 4 miles south of Venice and close to Englewood Beach. South Sarasota County classic private country club and gated community. Memberships are available to non-residents. Club is open every day. Complete practice facilities along with fine dining make this one of the finest locations in S.W. Florida. For membership information: Atty Moore 800-852-5443.

[Bent Tree CC](#)

With the look and feel of a long established northern country club already in place, Bent Tree provides a top quality traditional golf experience. Rediscover a piece of Sarasota's golf history.

[Misty Creek CC](#)

A Ted McAnlis gem, this private, member-owned, 18-hole championship course incorporates more than 350 acres of open space, lakes and wilderness preserve. This par 72 course is one of Sarasota's best kept secrets.

[Palm-Aire Country Club](#)

Palm-Aire Country Club offers two superb 18-hole championship golf courses, The Champions and The Lakes. Our courses are challenging, but also fair, with five tee box locations on each tee to accommodate each level of play. Our fine club includes well laid out and equipped practice areas, two putting greens, chipping greens and a practice sand trap. The driving range includes 36 grass hitting tee areas. Famed architect Joe Lee designed The Lakes Course. World renowned architect Dick Wilson designed The Champions Course, and both courses have been completely renovated.

Private »

[The Meadows Country Club](#)

In November 2003 the Groves, an Arthur Hills designed 18-Hole Par-65 Short Course opened to the public. For more information and to schedule two-day advanced tee time, please call 371-0982.

A private Member-owned club since 1990. This 54-hole facility is composed of three 18-hole courses. The two 18-hole championship golf courses are laid out to offer a challenge to golfers of all skill levels. Our shorter course (par 65) a "shot -makers course" designed by world-renowned architect Arthur Hills, provides an opportunity to walk year-round. The Meadows course underwent a major renovation and redesign in 2003 under the direction of noted architect Ron Garl. It opened for play to the members on January 6, 2004 with new Tif-Eagle Bermuda greens.

[Jacaranda West CC](#)

Challenging but fair course with strategically placed fairways and greenside bunkers, manicured fairways and greens in an open woodlands setting.
Rates: Private member owned & operated.

[Plantation Golf & Country Club](#)

Private Member-owned club. Two 18-hole championship courses designed by Ron Garl. The Bobcat & Panther feature beautiful natural surroundings & challenging layouts. Golf members enjoy unlimited year-round play. Home of the LPGA Qualifying School. Memberships available, residency not required. Call 941-497-1479 for information.

Public »

[Sunnybreeze Golf Course](#)

36 holes: 18 - Championship; 9 - Regulation; 9 - Par 3

[University Park Country Club](#)

27-hole championship layout. 4-star rated by Golf Digest and rated #1 in SW Florida and #6 in the state by Florida Golf News.

Public »

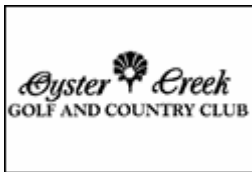

[Deep Creek Golf Club](#)

18-hole, par 70 public course located three miles east of I-75 off Kings Highway (Exit 170) on San Cristobal Avenue in Port Charlotte.

[Duffy's Golf Center](#)

Executive golf course, lighted for night play, lighted aquatic driving range.

[Oyster Creek Golf Club](#)

Not your typical executive golf course. Oyster Creek, designed by Ted McAnlis, is both challenging and scenic. Accuracy off the tee is important, as water comes into play on 13 of the 18 holes. Distance is critical on only a few of the par-4s, but even low handicap golfers find they play to their handicap. Oyster Creek offers meticulously manicured greens surrounded by environmentally protected natural wetlands and first-class service.

[Wildflower Country Club](#)

Mature 18-hole, par 62 executive course which presents a scenic and challenging layout for all players. Two-day advance tee times, walk or ride, public welcome.

[Legacy Golf Club](#)

The Arnold Palmer course design incorporates towering pines, majestic oaks, native grasses and wetlands. The practice range offers a thorough feel for the course with an 18,000 square foot putting green, chipping green, multiple tees, and practice bunkers.

Public >>

[Manatee County Golf Course](#)

This course offers players of all levels the enjoyment of landscaped fairways, a choice of four teeing areas and large well-bunkered greens. There's a nice combination of tree-lined fairways and well-placed water hazards to test even an advanced player's ability.

Stoneybrook Golf Club

Par 72, 18-hole championship course

Heron Creek Golf & Country Club

Arthur Hills designed, with rolling hills, large stands of oak and pine, spectacular water features. A fair challenge to all skill levels.

Bobby Jones Golf Complex

Sarasota's only municipal golf facility. 45 holes; British course - par 72, designed by Donald Ross; American course - par 71, designed by Ron Garl; Gillespie Executive course - par 30

Foxfire Golf Club

Voted Sarasota's #1 public course, rated 3 1/2 stars by Golf Digest. We offer 27 holes winding through oaks and pines with a remarkable absence of housing. Exceptional greens, traditional feel. A definite local favorite.

Public »

Gulf Gate Golf Club

27-hole executive course, open to the public, walk or ride, tee times 5 days in advance. Closest course to Siesta Beach. Sarasota Herald-Tribune Readers' Choice "Finalist" in 2002.

Heritage Oaks Golf & Country Club

Heritage Oaks was designed with the elegance of yesterday and the latest comforts of today. 18-hole championship layout with something for every skill level.

[Oak Ford Golf Club](#)

Three 9-hole courses - Myrtle, Palms and Live Oaks. Par 36 on each 9.

[Rolling Green Golf Club](#)

Rolling Green boasts generous fairways and large manicured greens for an experience that golfers of all levels can appreciate.

[Sarasota Golf Club](#)

One of Sarasota's oldest golf courses featuring contoured, tree-lined fairways which lead to manicured gently rolling greens.

Public »

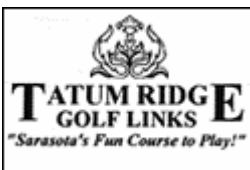

[Serenoa Golf Club](#)

Serenoa Golf Club has 17 lakes and wetlands weaving throughout 200+ acres. Over 1,000 soaring trees outline the perimeter. Beautifully manicured fairways, undulating greens, and four sets of tees make Serenoa Golf Club a unique experience.

[Sunrise Golf Club](#)

Featuring a variety of challenges to golfers of any skill level including crowned greens with water on 15 of 18 holes.

[Tatum Ridge Golf Links](#)

A Scottish-style links course with preserved wetlands and 11 lakes in a natural setting. Tee times up to 7 days ahead.

[Capri Isles Golf Club](#)

All newly designed course. Anticipated reopening early November 2003. Details provided as they become available.

[Lake Venice Golf Club](#)

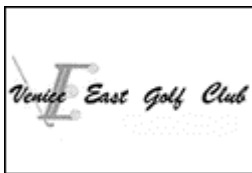

Located adjacent to the Gulf of Mexico where you can walk or ride at anytime. Open golf. No tee times required. Not part of a housing development.

Public »

[Sorrento Par 3](#)

The only regulation Par 3 course in the area. Short game challenge. No electric carts. Shady and breezy walkable course among friendly Sorrento South neighborhood. No tee time necessary. Family owned and operated.

[Venice East Golf Club](#)

18-hole member owned executive course. Public welcome. We cater to the Beginner, the Experienced, the Young and the senior golfer. Range customers will enjoy our all-natural turf driving range, practice putting green, sand trap and chipping areas. Visit us and be surprised and delighted by the excellent condition of our course and greens. Tee times not necessary.

Semi-Private »

[Bobcat Trail Golf Club](#)

Sarasota County's only 4 1/2 stars by Golf Digest. Bob Tway signature design. Opened in 1998, featuring fast, undulating greens.

[Calusa Lakes Golf Club](#)

Calusa's championship course with 16 water holes, offers a challenge to both experienced and intermediate golfers. The setting includes wooded area, lakes and rolling terrain for a truly pleasurable golf experience.

Forest Lakes Golf & Country Club

18-hole championship layout. Sarasota's in-town club with tree-lined fairways winding through the famous Forest Lakes community. Only minutes from Siesta Key and Longboat Key.

Semi-Private »

Golf Club at Cypress Creek

18-hole links style championship course designed around 640 acres of protected wetland.

Lemon Bay Golf Club

Lemon Bay Golf Club has recently earned the distinction of a certified Audubon Society property. One of only 100 golf courses in the United States to be listed, the course is actually a golf course within a wildlife preserve. Located on the waters of beautiful Lemon Bay, the natural Florida terrain provides an ideal habitat for native birds and animals. The club is open for members only October-April.

Long Marsh Golf Club

Situated on over 300 acres, the rolling terrain hints at a links-type layout, and an abundance of stately oaks and native pines and palms frame many holes. Natural waste bunkers and marshes provide a challenge for golfers, as well as a haven for a variety of wildlife. Measuring 7,200 yards from the tips, the course can be daunting, but four sets of tees, a minimal use of bunkers and strategically-placed mounding provide a friendly game for all levels.

Myakka Pines Golf Club

27-hole member owned, non-residential, natural Florida beauty. Member of the Audubon Cooperative Sanctuary System.

Pelican Pointe Golf & Country Club

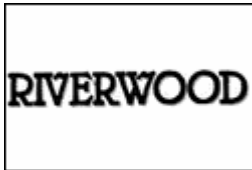

A beautifully maintained 27-hole championship course. Located off Center Road in Venice. Public welcome.

Semi-Private »

[Peridia Golf and Country Club](#)

Manatee County's premier executive golf course, with its newly renovated tif-dwarf greens, is challenging for the serious low handicapper yet gentle to the social golfer. Peridia is proud to be a participating course on The First Tee discount card. Private instruction is available with Tim Bohan, PGA Professional.

[Riverwood Golf Club](#)

In a natural setting among tall pine trees, lakes, marsh and majestic riverfront, Riverwood's par 72 championship layout is designed for an enjoyable experience for all skill levels.

[Rosedale Golf & Country Club](#)

Opened in 1993. Designed by Ted McAnlis. Maintained to tournament standards on a daily basis! This is a true "must play" course.

[Rotonda Golf & Country Club](#)

[Sabal Trace Golf & Country Club](#)

Sabal Trace offers golfers of any playing ability an enjoyable experience. Gently rolling terrain with abundant native birds and wildlife.

[**Semi-Private >>**](#)

[Serenoa Golf Club](#)

Serenoa Golf Club has 17 lakes and wetlands weaving throughout 200+ acres. Over 1,000 soaring trees outline the perimeter. Beautifully manicured fairways, undulating greens, and four sets of tees make Serenoa Golf Club a unique experience.

The Preserve Golf Club at Tara

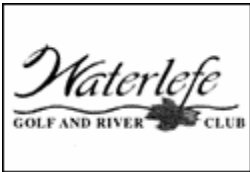

The River Club

4-star Golf Digest rated course, a must to play while visiting the west coast of Florida.

Waterford Golf Club

Waterford's scenic 27 holes feature multiple trees, sculptured greens, undulating fairways with a mix of sand, large oaks and water.

Waterlefe Golf & River Club

18-hole luxury Ted McAnlis course designed along the Manatee River. Competitive layout will challenge all players. Five sets of tees, five unforgettable holes that touch and border the Manatee River.
